

VOGT electronic AG

Overview of VOGT electronic AG

Founded In : 1934, Berlin

Head Office : Erlau Passau, Bavaria, Germany

Sales Turnover : 192.3 Million Euro (Sep/2005)

No. of employees : 2,860 (Sep/2005)

**Major Products : Choke coil, Ignition transformer,
Immobilizer, Module for tire-pressure
monitoring ,etc.**

Reasons to select VOGT as our partner

1. Synergies in expansion into automotive parts industry and geographical complementation of market
2. Friendly TOB due to relationship and mutual understanding between both top managements
3. Expected Net Profit by completing restructuring
Profit realized at 1st.Q (Oct-Dec) 2005/6 FY.

**Components Product ⇒ High profitability for automotive
EMS ⇒ Effective restructuring, selling non-profitable
sectors**

**Reduction of debt and interest by negotiating monetary
institutes**

*LCF = Loss Carried Forward

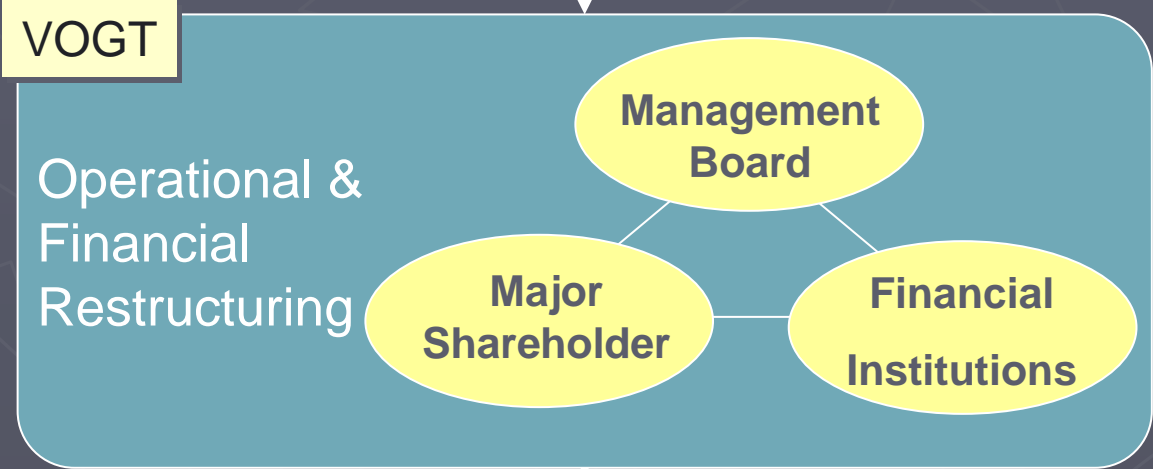

Steps to TOB

2004

Partnership offer from VOGT

Sumida declined due to VOGT's poor financial performance

2005

Improvement in Operation and Finance

Attractive target for Sumida and other potential bidders

Operational Restructuring

- Disposing of Unprofitable Business

Unprofitable EMS sectors, formerly more than 50% of turnover, were sold or closed except two profitable sites

- Streamlining personnel

Financial Restructuring (Reduction of Debt)

(Unit: Million Euro)

Reduction of Debt

Debt reduced to 70M
by converting 84M to PPR

Sumida
Purchased PPR
for 12M

*PPR

Profit Participation Rights
with option rights

Overview of TOB (Purchased Shares)

	Total issued	Tendered and Purchased	Offer price
Common stock	1,340,000	1,229,524	Euro 10
Preferred shares	1,260,000	516,918	Euro 7
Total	2,600,000	1,746,442	

PPR includes option rights to get 1,299,248 common stocks .
Planning to exercise the rights

$$\frac{1,746,442 \text{ (purchased)} + 1,299,248 \text{ (exercising)}}{3,045,690} = 78.1\% \text{ gained}$$
